*Up to 2-for-1 fares are based on a per person discount off applicable Escape Fares on a space available basis at time of booking on select 2009 sailings. Escape Fares are offering fares and may not have been in effect for the past 90 days or resulted in actual sales in all categories. Intermediate discounts may have been taken and fares may remain at discounted levels after this promotion. This offer is capacity controlled and applies to select categories. Savings may vary by departure and category. Fares are per person, non-air, cruise-only, based on double occupancy and apply to the first two passengers in a stateroom. Please contact Princess Cruises for applicable single and third/fourth-berth passenger fares. Government fees and taxes are additional and subject to change. Princess reserves the right to impose a Fuel Supplement of up to \$9 per person per day on all passengers if the NYMEX oil price exceeds \$70 per barrel, even if the fare has already been paid in full. This offer may not be combinable with other past passenger, group or public discounts, including shipboard credits. Offer is only available to legal residents of the United States, Canada, Mexico, and Puerto Rico. Fares are quoted in U.S. dollars. Ask about our applicable air add-on program.
